(*d*) The block to the west of the Civ-mil extends as far as the road on the eastern side of the Rama Nilayam Palace. If a portion of it to the same width as the Civ-mil is acquired it will contain the Government Manure Depot, Y. W. C. Assistant Engineer's Office. The block to the east of the Civ-mill is comprised of a convent with a chapel and some eleven residential houses. In either case the cost of acquisition would not be cheaper.

(*e*) Separate valuation statement of the buildings in these blocks cannot be furnished as no such statement has been prepared.
